SUMMARY

Analytical and detail-oriented Data Analyst with a strong foundation in Mathematics and Computer Science. Currently pursuing an MCA and skilled in leveraging **SQL** for complex data extraction, **Python (Pandas, Matplotlib)** for statistical analysis, and **Power BI/Tableau** for creating actionable business insights. Experienced in data cleaning, EDA, and dashboard design within Agile environments.

EXPERIENCE

Software Quality Assurance Tester

DataDevice

Feb 2023 - Present, Mumbai

- Designed and executed manual and automated test cases for web and mobile applications, conducted functional, regression, and UI testing, actively participated in Agile ceremonies, identified and documented defects leading to a 25% reduction in testing time, improved product quality resulting in a 15% decrease in customer-reported issues, enhanced test coverage by 20%, and achieved 95% overall test coverage ensuring robust software performance.

PROJECTS

HR Database Management System (SQL)

- <https://github.com/aditya786786/HR-Database-Management-System-Using-SQL>
- Built a relational database system for managing employee, department, and salary data using advanced SQL concepts such as joins, subqueries, and normalization, improving query performance and ensuring data consistency.

Sales Analysis Dashboard (Power BI)

- <https://github.com/aditya786786/sales-analysis-dashboard>
- Developed an interactive Power BI dashboard to analyze KPIs and regional sales performance using DAX measures, filters, and drill-through features, delivering actionable insights to support data-driven decision-making.

SKILLS

Programming & Tools:	Python, SQL, MySQL, SQL Server
Data Analysis & Visualization:	Power BI, Tableau, Excel, Matplotlib, Seaborn
Testing & Data Handling:	Selenium, Data Cleaning, Data Validation, Exploratory Data Analysis (EDA), Jenkins
Other Skills:	JIRA, Agile/Scrum, API Testing

EDUCATION

Master of Computer Applications (MCA).

Jain University, Bengaluru, Karnataka • 2026

- CGPA: 9.30

Bachelor of Science (Bsc Mathematics).

Thakur College of Science & Commerce • Mumbai • 2022

- CGPA: 7.57
